

## Disclosures

IFC Advisors LLC is a Registered Investment Adviser. This web site is not a solicitation or offer to sell investment advisory services. IFC Advisors LLC provides individual client services only in states in which it is filed or where an exemption or exclusion from such filing exists. Registration as an Adviser does not imply a certain level of skill or training.

All written content is for informational purposes only and may not constitute a complete description of available investment services or performance. Proprietary papers and writings are the opinions of IFC Advisors LLC. Other links and information presented on this site are obtained from sources believed to be reliable, but they are for informational purposes only and IFC Advisors LLC does not guarantee their timeliness or accuracy. Clients should consult their advisor with regard to any questions they may have. Nothing on this web site should imply that past results are an indication of future performance. The value and income of any of the securities or financial instruments mentioned on this Site can fall as well as rise, and an investor may get back less than he or she invested. Past performance is not necessarily a guide to future performance. Independent advice should be sought in all cases.

At certain places on this site, live “links” to other Internet addresses can be accessed. Such external Internet addresses contain information created, published, maintained, or otherwise posted by institutions or organizations independent of IFC Advisors LLC. IFC Advisors LLC does not endorse, approve, certify, or control these external Internet addresses and does not guarantee or assume responsibility for the accuracy, completeness, efficacy, timeliness, or correct sequencing of information located at such addresses. Use of any information obtained from such addresses is voluntary, and reliance on it should only be undertaken after an independent review of its accuracy, completeness, efficacy, and timeliness. Reference therein to any specific commercial product, process, or service by trade name, trademark, service mark, manufacturer, or otherwise does not constitute or imply endorsement, recommendation, or favoring by IFC Advisors LLC.

Third-party rankings and recognition from ratings services are no guarantee of future investment success. Working with a highly rated adviser does not ensure that a client or prospective client will experience a higher level of performance or results. Ratings should not be considered an endorsement for the adviser by any client, nor are they representative of any one client’s evaluation. IFC Advisors paid no application fee to participate, but may purchase plaques, reprints, or logos to publicize rankings. Methodology: The Forbes ranking of America’s Top RIA Firms, developed by SHOOK Research, is based on an algorithm of qualitative criteria, mostly gained through telephone, virtual and in-person due diligence interviews, and quantitative data. The algorithm weighs factors like revenue trends, assets under management, compliance records, industry experience and those that encompass best practices and approach to working with clients. Portfolio performance is not a criterion due to varying client objectives and lack of audited data. Neither Forbes nor SHOOK receive a fee in exchange for rankings.
